

Prophet Muhammad (saw) has said:

*Verily every single Muslim should give in charity every single day.*

When he was asked how someone could give charity every day, the Prophet gave some examples including listening to someone who is upset and helping someone who asks for help. The Prophet said that even smiling is an act of charity!

What acts of charity will you do every day? Draw or write down one act of charity for each day of the week below.

*Monday*

*Tuesday*

*Wednesday*

*Thursday*

*Friday*

*Saturday*

*Sunday*
